We have decided in order to close this stock out entirely, in the short time we have remaining, to give one fourth off the regular price of each and every article in our store.

25 % Discount we think will do the work. As this stock must be closed out by the 1st of January 1914.

You do not have an opportunity often to buy such merchandise as our for 75c on the dollar and this is all we ask for this stock, to convert it into cash in the short time we have. This includes all the new staples we have received in the last two weeks. We did this to be able to fill the bill complete, but as the 20 per cent discount does not ceem to close it out fast enough we are now going to give you 25 per cent discount.
